

SpotOn® Spray Tip Cleaner & Multi-Tool

FOR IMMEDIATE RELEASE: July 1, 2013

## Innoquest Introduces SpotOn® Spray Tip Cleaner & Multi-Tool Combo Pack

(WOODSTOCK, Ill.) [Innoquest, Inc.](#), the designer and manufacturer of sensors and measurement instruments, has released the patent-pending **SpotOn® Tip Tool & SpotOn® Nozzle Cleaner combo package**, which was created for rapid cleaning and maintenance of spray tips and nozzle bodies.

“This combo package combines both of these new tools for added convenience and savings,” [Bill Hughes](#), President of Innoquest, said. “Every sprayer operator should have the [SpotOn® Tip Cleaner and Multi-Tool](#) on board to aid in quickly resolving problems with nozzles and associated parts in the field. It’s all about staying productive and limiting downtime.”

The two tools have a high-quality, durable construction for long-lasting use. As with all SpotOn products, the Nozzle Cleaner and Tip Tool are easy to use and provide quick results. The SpotOn® Nozzle Cleaner clears plugged nozzles with a 50 PSI air blast that can be used anytime, anywhere because it never needs refilling or recharging. Plus, the four-in-one SpotOn® Tip Tool features a brush, foldout plastic pick, spanner wrench and utility hook that make spray tip maintenance easy and convenient.

The **SpotOn® Tip Cleaner & Multi-Tool Combo Pack** currently lists in the U.S. for \$44.95. A [video demonstration](#) is available on YouTube. For more details or to find a distributor, call 1 (800) 637-1623 or visit [innoquestinc.com](#).

***Innoquest, Inc. has been designing and manufacturing sensors and instruments made in the U.S.A. since 1993.***
