

SpotOn® Spray Tip Tool Kit

FOR IMMEDIATE RELEASE: February 6, 2014

Innoquest Introduces SpotOn® Spray Tip Tool Kit *Accurately Checks Spray Tips Quickly!*

(WOODSTOCK, Ill.) [Innoquest, Inc.](#), the designer and manufacturer of sensors and measurement instruments, has released the [SpotOn® Spray Tip Tool Kit](#), which helps operators check spray tips in just 10 seconds.

“This preassembled kit gives sprayer operators everything they need to find worn nozzles, verify application rate, clean plugged tips and strainers, as well as calibrate sprayers,” [Bill Hughes](#), President of Innoquest, said. “It includes everything you need to maintain your sprayer and optimize performance.”

Each kit includes innovative SpotOn® products like the Sprayer Output Calculator and comes with gloves, goggles and a compact carry case. Plus:

- [Digital Sprayer Calibrator](#), which provides accurate tip flow measurement in seconds
- Air Blast Tip Cleaner and [Tip Multi-Tool](#), which clears plugged spray tips with a 50 psi air blast

The **SpotOn® Spray Tip Tool Kit** currently lists in the U.S. for \$295. Video demonstrations on the [SpotOn® Tip Cleaner](#) and the [SpotOn® Sprayer Calibrator](#) are available on YouTube. For more details or to find a distributor, call 1 (800) 637-1623 or visit [innoquestinc.com](#).

Innoquest, Inc. has been designing and manufacturing sensors and instruments made in the U.S.A. since 1993.
