1.0 Features

- Quickly visualize spray pattern and coverage
- Easy handheld operation
- Small size for easy transport and storage
- Made in USA

2.0 Specifications

Capacity: 16 channels spaced 2.5cm (0.984in) apart

Size: 12 in (30cm) tall x 18 in (46cm) wide x 1 in (2.5cm) thick

Weight: 2.7 lbs (1.2 kg) weight

Construction: PVC Body, Polycarbonate Window, Polyethylene Balls

3.0 Care and Storage

Use only with clean water and rinse with clean water if unit becomes contaminated with chemicals. Wipe unit with damp cloth for cleaning. Store unit away from direct sunlight! Sunlight can fade the red color of the balls.

4.0 Taking a Measurement

Note: See Demo Video on www.YouTube.com
(Search: SpotOn Patternator)

For best results hold meter at a slight angle from horizontal so that fill progress can be seen during use. When full to the desired level remove from the spray and hold unit vertical and give it a slight shake to assure all balls are sitting at the correct level.

5.0 Troubleshooting

If balls stick and do not want to float fully wet entire unit and shake to release balls and coat all surfaces with water. Once the balls and the inside channels are fully wet the balls will no longer stick.

6.0 Warranty & Service

One Year Warranty

Innoquest, Inc. warrants this product to be free from defects in materials and workmanship under normal use and service for a period one (1) year from date of purchase. This warranty extends only to the original purchaser and shall not apply to any product which, in Innoquest's sole opinion, has been subject to misuse, alteration, abuse, or abnormal conditions of operation or handling. Innoquest's obligation under this warranty is limited to repair or replacement of the product which is returned to Innoquest. Innoquest accepts no liability for whatever damages may be caused by a malfunctioning product.

Repair & Service Policy

Product returned to Innoquest for repair or service must follow the guidelines set forth as follows: Return of the product for warranty or service repair will be the responsibility of the purchaser (Innoquest does not pay inbound shipping charges). All returns must receive an RMA number by **calling** Innoquest prior to return of the product. The RMA number must be clearly marked on the outside of the shipping carton. If the customer is returning product for non-warranty related repair or service, a minimum charge will apply for accessing the product's repair needs and further work will not be completed without the customer's approval.
